

Granite Office is proud to announce our recent certification as an e2 business. By using our products and services you can directly improve the environment in Utah.

**So what makes e2?**  
Business Practices that are:

- environmentally Sustainable
- economically Sustainable

**Translation:**

1. Save the environment
2. Save Money
3. A win-win situation

**Did You Know?**  
Our Natural Gas Delivery Vehicles Reduce the following Emissions:

1. Carbon Dioxide (22-25%)
2. Carbon Monoxide (94-95%)
3. Nitrogen Oxide (70-96%)
4. NonMethane Hydrocarbons ((92-96%)

I smell cleaner air, do you?

**What are we doing now?**

- CNG Delivery Vehicles
- Invoices & Statements delivered via email
- Toner & Electronics Recycling
- Cardboard Box Reuse
- Developing an e2 product list for all customers

**Did You Know?**  
Our delivery drivers will pick up the following:

1. Empty cardboard boxes for reuse
2. Empty toner for Recycling
3. Used electronics to be recycled by SBK Electronics

**What will we be doing?**

- Comprehensive Office Recycling Program for our office
- Offering More Products to you that meet the e2 criteria
- Assistance to help setup your office recycling program

We will offer the win-win situation
